Mathis Miener

Brand Designer & Creative Technologist

Experience

2026

Belgium, Remote

Brand System for DEMAIN

Demain

Built the full brand and website for Demain, an AI-first content studio in fashion and lifestyle. Shaped its brand direction and turned the stance "you buy the taste, not the AI" into one coherent system.

2025

Berlin

Web Design Juliane Polak

Juliane Polak

Designed and built a showcase website for makeup artist Juliane Polak in Framer, with custom code components giving her work a clean, playful and professional feel.

since 2025

Berlin

Brand Workshop Kittl/Ambassador

Kittl

Ran a live workshop at the Barcelona School of Design as a brand ambassador for Kittl, building a complete brand inside the canvas to teach how AI shifts the designer toward strategist.

2022 – 2025

Stuttgart/Berlin

UX/UI and Graphic Asset Designer

Port-Neo

Produced graphic and motion assets for online marketing, handled UI and UX for client projects, and led art direction in pitches.

Education

2025 – 2026

Barcelona, Remote

M.A. Artificial Intelligence in Creative Practice

LABASAD

2017 – 2022

Münster

B.A. in Mediadesign & Spanish Language and Literature

FH Münster & University of Münster

Soft Skills

- Bridge strategy and execution, with an instinct for the unsaid
- Collaborate for real: sharp questions, honest pushback
- Think in systems, see how one decision ripples outward
- Hold my judgment, pass the knowledge to clients

Hard Skills

Full generative AI-Stack, Workflows, Automation, Video, Audio Production and Training LoRAs using Industry Standards.

Figma, Design Systems
Illustrator, Graphic Assets
Photoshop, Image Assets
InDesign, Print Production
After Effects, Motion Assets
Framer, websites
